

WHO IS SIMON MILLER?

When unassuming geologist Simon Miller (Loren Dean) mysteriously disappears one night, the Miller family is thrown into a desperate search to find him. Simon's wife Meredith (Robyn Lively) and their two kids, Sarah, 18, and Kevin, 15, frantically search Simon's office for information. When they find a stash of passports, all with Simon's picture but each with a different alias, they realize that their father has been keeping more than a few secrets. Who is Simon Miller? And what has he gotten himself – and now his family – into? Not sure they can even trust the dad they thought they knew, the Millers embark on an international mission to get him back. It's a heart-pounding adventure that tests the limits to which families will fight for each other.

Premieres Saturday,
August 6th 8/7c on NBC.

WHO IS SIMON MILLER?

presented by **Walmart** and **P&G**

Values Uncovered

In this fast-paced spy thriller, the Millers learn that their father is not exactly who he says he is. Finding out his identity not only leads them on an international adventure, but it also brings about feelings of hurt and betrayal. The family risks it all to unravel the mystery and save their father as they put their trust, loyalty and forgiveness to the test.

Trust

Being able to confidently depend on others

Faithfulness & Loyalty

Being committed to those with whom you have a relationship

Forgiveness

Accepting apologies without resentment

UNIVERSAL TRUTH

Being trustworthy is essential in developing meaningful relationships.

WHO IS SIMON MILLER?

Discussion Starters For Parents

Meaningful talks with your kids are often impromptu. Simply watching TV can spur deep and significant conversations. *Who is Simon Miller?* touches on a number of important values that may trigger these types of talks. The following discussion starters may help you make the most of this opportunity.

When the Miller family learns that their missing father is a secret agent they experience a wide range of emotions...shock, confusion, betrayal and worry. How would you feel if you learned a family member was keeping a major personal secret from you?

Simon believes he is protecting his family by concealing his true identity. Are there times when it's alright to hide the truth from your family? Do you think there are side effects of keeping things secret from family members? Explain.

Despite doubts and challenges, the Miller family remained loyal to Simon and risked everything to find him. What sort of effect do you think this had on Simon? Do you feel the Miller family is closer to their father now than before they learned the truth? Explain.

Walmart and Procter & Gamble have partnered together to produce a series of original family movies. These films are designed to appeal to all family members and create meaningful viewing events that bring families together. Field of Vision is the sixth movie in the Family Movie Night series. Other Family Movie Night titles are available on DVD at Walmart.

Moms4FamilyTV is a national group of moms who support and encourage companies that create entertainment options that families can enjoy together. The group works with partner organizations to help spread the word and expand the efforts of these companies.
